BUSINESS

Study Six LLC, provides opportunities for international students to study at Bishop Guertin High School (New Hampshire), St. Thomas Aquinas High School (New Hampshire), and Melbourne Central Catholic High School (Florida). The Schools reserve the right to make the final decision on acceptance, admission, dismissal, and granting diplomas for international students.

1. APPLICATION

1.1 Students typically follow one of two pathways known as Diploma or Exchange. Diploma students must meet the School's graduation requirements. Exchange students typically attend School for one semester or one school year. Exchange students are eligible to transfer onto a Diploma program, providing they meet the School's graduation requirements. Exchange students entering the school in 12th grade are not eligible for a Diploma, unless approved in writing by the School.

1.2 Students agree to represent themselves honestly and accurately in their application and interview. Any Student found to have forged, falsified, or provided misrepresentative information will have their application terminated prior to arrival. If a Student is found to have forged, falsified, or provided misrepresentative information after they have already arrived, we reserve the right to cancel their acceptance and dismiss them from the program immediately. This may involve the cancellation of Form I-20 and deportation from the United States, at your expense.

2. I-20 AND VISA

2.1 Form I-20 secures a Student's acceptance at a School. Form I-20 helps to secure the Student's visa. Once the Student receives their visa, it is important that they attend the School for which they have applied. If the Student's study abroad plans

change, it is necessary to inform the Company immediately. Cancellations of Form I-20 can affect future visa applications to the United States.

3. HOST FAMILY

3.1 The Company endeavors to match students with host families that they will thrive with. The Company reserves the right to make the final decision on host family placement. Requests for a specific race, religion, or cultural background will not be considered. Students, and their parents/guardians, should be open to the opportunity to gain new experiences outside of their own family setting afforded by placement with a host family. Such a family may consist of a married or unmarried couple, a single person, individual(s) with or without children, etc.

3.2 All host families undergo an application process, in-person interview, house visit, and criminal background screening.

3.3 Parents/guardians will be supplied with host family details a minimum of two weeks prior to the start of the program. After review, you will be asked to sign a consent form granting temporary custody to the host family for the duration of the program.

3.4 Students are encouraged to stay with their host family for the duration of the program. If students wish to change hosts at any time during the program, for any reason, they should inform the Company as soon as practicable. For requests to move from reasonably fit hosts due to Student preference (for example, wanting to live with a friend or closer to school), a \$1,100.00 host family change fee will be applied and invoiced to you. Students will only be relocated after that fee has been paid and a new consent form has been signed. The Company will relocate students immediately, and free of charge, in emergency situations, or at their discretion.

3.5 Students wishing to change host families may be placed with a temporary host family until a permanent host family is found. If a student is found to be engaging in unlawful activities or misconduct, the Company reserves the right to move students immediately, at the request of a host.

3.6 If a student wishes to live with a family member, family friend, or other local contact, they must be approved by the Company. You will be asked to sign a Host Family Waiver form, indicating that you have opted out of our Host Family Program.

4. TUITION AND FEES

Any unpaid fees are subject to a 2.5% late fee per month, until the total amount is settled. If the Student arrives in the U.S. and payment of agreed invoices has not been received, enrollment at the School will be canceled and Form I-20 revoked.

The insurance will last for the duration of the program. Full details of coverage, which includes school sports, will be provided upon enrollment or by request.

4.6 A non refundable application fee of \$1,000 will be charged at the time of acceptance. Full payment of all other fees, as noted on the invoice, is due no later than June 30 (for August enrollment) or November 30 (for January enrollment).

6. EARLY TERMINATION

6.1 If the Student wishes to transfer schools or return home before the end of the program or semester, their withdrawal will be considered cancelation and they will not be eligible for a refund.

6.2 If the Student provides at least 30 days written notice that they intend to transfer schools or return home at the end of the first semester, the Company will refund the host family fees associated with the second semester.

6.3 School tuition refunds for transfer or early termination are issued at the sole discretion of the School.

6.4 If the Student wishes to return home for a medical or family emergency, refunds will be issued on a pro-rated basis. Eligibility and supporting evidence must be submitted to the Company. If the Student is found to have falsified their reasons for returning home, or remained in the United States, the Company is entitled to pursue all legal avenues for recovery of fees and legal expenses.

7. STUDENT CONDUCT

7.1 The Student agrees to abide by all Federal and State laws. If the Student is found to have broken a Federal or State law, they will be dismissed from the program and could face deportation from the United States.
