FAITH AND SERVICE

Rooted in the tradition of St. Francis of Assisi, our Catholic faith guides students as they learn to walk in the light of the Gospel and become faith leaders on our campus, in our community, and throughout the world.

MCC students learn how to see the face of Christ in their neighbors while serving at local food banks, soup kitchens, and caring for God's creation.

These experiences teach our community members how to be Christ's hands and feet in our world. Because the goals of the program are central to the goals of Catholic education, each student must complete a minimum of 25 hours of community service each year. The result of this experience is a growing awareness of the needs of others, greater compassion and a thirst for justice.

Students who earn the highest scores on our Fall Scholarship/Placement Exam receive academic scholarships. Those students who maintain appropriate conduct and maintain a 3.0 grade point average keep the scholarship for four years.

NEED-BASED SCHOLARSHIPS

Melbourne Central Catholic awards need-based financial aid annually. The process starts with a family completing a FACTS Grant and Aid application (online.factsmgmt.com/signin/3T99D). FACTS provides family need and the MCC Financial Aid Committee reviews the applications and determines the need-based award.

Because we review need-based awards annually, families must complete a FACTS Grant and Aid application each year.

Spiritual Integrity.

“

Daniel Breisch
Class of 2022 Valedictorian
University of Florida

Throughout my years at MCC, I have recognized the importance of academics. The teachers and administration have always pushed me to do my best and to achieve academic excellence. I was challenged, and I thrived in this institution. Since I was challenged, I was able to develop endurance and an attitude that revolved around hard work and never giving up. I give a lot of credit to the incredible teachers that created my academic and study skills. I am forever grateful for my education at Melbourne Central Catholic High School.

”

“

Megan Haire
Class of 2022 Valedictorian
Ave Maria University

MCC holds a population of amazing people who seek what is best for one another. Throughout my four years at MCC, I have come across faculty, staff, and students who have changed my life for the better. I have learned skills that I will carry with me for a lifetime. Being able to visit Jesus daily in the school chapel allowed me to grow closer to Christ. This closeness to God that is consistently present throughout campus allows students to form a tight-knit community and take the peace they receive from the readily available sacraments and share it with their friends and family. MCC not only strives for this spiritual integrity, but also promotes academic excellence, forming each student into a well rounded individual who is prepared to shine his or her positive, bright light on the world.
